( ) (A) In lieu of the forty-eight (48) hour minimum period of incarceration required by this subsection for persons convicted of driving under the influence of an intoxicant for the first time, the court may require such offender to remove litter from state, county or city highways and streets for a period of forty-eight (48) hours.

(B) A court sentencing an offender pursuant to this subpart shall order such offender to remove litter from public highways for a period of eight (8) hours a day for six (6) days. The court shall transmit the name and address of each offender sentenced pursuant to this subpart to the sheriff of the county in which the offense occurred. The sheriff shall notify each such offender of the date and time they are to report to the county jail for assignment on a litter removal crew. The sheriff shall schedule such assignments when there are a sufficient number of offenders to comprise a cost-effective litter removal crew. (I) No sheriff shall be permitted to use an offender sentenced pursuant to this subpart to perform any task other than litter removal.
